ABOUT THE COMPANY

INRx is India's first stablecoin, designed to bridge the gap between traditional finance and blockchain technology. Our mission is to empower Indians with a secure, efficient, and inclusive digital payment solution, pegged to the Indian Rupee (INR). Governed by the INRx Foundation, INRx ensures stability and transparency in every transaction while promoting financial inclusion for all.

OUR VALUES

- **Transparency:** All transactions are recorded on a decentralized blockchain ledger.
- **Security:** Advanced encryption ensures the safety of user funds and data.
- **Inclusivity:** Making financial services accessible to underserved and rural communities.
- **Stability:** Offering a trusted digital currency backed 1:1 with the Indian Rupee.
